Number of Resources and Loan Period

The number of resources you may borrow is dependent upon your subscription. Please refer to your welcome email or contact our staff if you are unsure of the number of resources you are entitled to.

Resources may be borrowed for up to **6 weeks** with a possible extension of a further **4 weeks** unless the resource is on reserve by another subscriber. If you require an extension, please contact the library staff before the resources are due back. Resources which have a waiting list cannot be extended.

Terms and Conditions of Borrowing

- It is the responsibility of the subscriber to be aware of and adhere to CPL's Resource and Toy Library Loans Policy and Procedures.
- Return and care of the resources is the responsibility of the subscriber.
- Discrepancies between the items received and the items on the enclosed Patron Loan Report must be reported to CPL's Resource and Toy Library as soon as possible.
- The resources must be returned to the library at the end of the borrowing period.
- The resources must be returned in the condition in which they were borrowed and in the original library packaging.
- Replacement costs will be charged to the subscriber for lost or damaged resources (allowing for reasonable wear and tear). Borrowing privileges will be suspended until the costs are paid in full.
- The subscriber will not loan resources borrowed to any other party.
- **It is the responsibility of the borrower that children will be supervised by a responsible adult at all times when using CPL's Resource and Toy Library resources.**

Reserves

- Resources that are out/on loan/not available/unable to be borrowed are shown as - Holdings 0 of ... **0 means Not Available.**
- If you choose resources that are not available, we will send alternatives.
- If you don't want an alternative and you specifically would like this resource in the future, please contact us.
- Reserved resources collected by staff and to be collected directly from the library site by the borrower, will be held for 10 working days.

Loans Policy

- If resources are reserved and we are waiting for returns from the borrower, the resources will be held for 10 working days and will then be taken off your reserve list. In this case you will need to reserve a new list of resources required.

Overdue Resources

Resources must be returned to CPL's Resource and Toy Library by the due date. The due date is on the Patron Loan Report enclosed with the resources.

The overdue resources process is:

1. An initial reminder email seven days prior to resources being due.
2. Reminder email when resources are overdue.
3. A phone call from library staff.
4. A reminder email indicating details of overdue resources will be sent to CPL Finance for their discretion e.g. invoicing to replace overdues or contacting Debt Collector.
5. Matter referred to CPL Finance.
6. Future borrowing suspended until all resources are returned or paid for.

Our resources have many suggestions and ideas, however, please be aware that Copyright Law only allows the purchaser (not the borrower) to photocopy or download its contents.
